

# PRE-SURGICAL TECHNICIAN PROGRAM

Doña Ana Community College [2026-2027](#) Catalog

## (35 credits)

The Surgical Technology program is a collaborative effort between San Juan College (SJC) and Doña Ana Community College (DACC) to offer the Surgical Technologist program of study to students in Southern New Mexico. Prerequisite coursework will first be completed at DACC. Once all prerequisite work is completed, students will apply for admission to the SJC Surgical Technology program. Admitted students will complete courses online through San Juan College. Hands-on lab sections and clinical requirements will take place in the student's hometown area with employer partners with SJC who have agreed to provide their healthcare organizations as a clinical site.

NOTE: Students must earn a final grade of C- or better in all required courses and achieve a cumulative grade-point average of at least 2.0. A grade of C- or better is required in ENGL 1110G Composition I and designated Mathematics courses.

Students must complete all University certificate requirements, which include: General Education requirements and elective credits to total at least 35 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.
