

DENTAL ASSISTANT - CERTIFICATE OF COMPLETION

(28 credits)

A Suggested Plan of Study

The contents of this roadmap may vary depending on initial student placement in mathematics and English. This is only a suggested plan of study for students and is not intended as a contract. Individual student academic plans may vary. Please contact your academic advisor to create a plan that works for you. Course availability may vary from fall to spring semester and may be subject to modification or change.

NOTE: Students must earn a final grade of C or better in all required courses/Technical Requirements and achieve a cumulative grade-point average of at least 2.0.

Students must complete all University certificate requirements, which include: General Education requirements and elective credits to total at least 28 credits. Developmental coursework will not count toward the degree requirements and/or elective credits.
