

VASCULAR SONOGRAPHY - CERTIFICATE OF COMPLETION

(Certificate 33 credits)

Note: Application deadline is September 1

A Suggested Plan of Study

The contents of this roadmap may vary depending on initial student placement in mathematics. This is only a suggested plan of study for students, and is not intended as a contract. Individual student academic plans may vary. Please contact your academic advisor to create a plan that works for you. Course availability may vary from fall to spring semester and may be subject to modification or change.

NOTE: All of the courses in this program are offered once per academic year and relate to each other and the clinical internship. Courses may not be taken individually or out of sequence.

NOTE: The program is three consecutive semesters, to include required summer classes.

NOTE: Students must earn a final grade of C- or better in all required DMS courses/Technical Requirements and achieve a cumulative grade-point average of at least 2.0. A grade of C- or better is required in the designated Mathematics courses.

Students must complete all University certificate requirements to total at least 31 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary Mathematics coursework.
