

PRE-ARCHITECTURE - ASSOCIATE OF APPLIED SCIENCE

(72 credits)

A Suggested Plan of Study

The contents of this roadmap may vary depending on initial student placement in mathematics and English. This is only a suggested plan of study for students, and is not intended as a contract. Individual student academic plans may vary. Please contact your academic advisor to create a plan that works for you. Course availability may vary from fall to spring semester and may be subject to modification or change.

Students must complete all University degree requirements, which include: General Education requirements and elective credits to total at least 72 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework.

A grade of C- or better is required in all courses except ARCH 1120 Introduction to Architecture & ARCH 1115 Introduction to Architectural Graphics which requires a B- or better. A grade of C- or better is required in ENGL 1110G Composition I and designated Mathematics courses.
