#degreestext)a (<https://dacc.nmsu.edu/academics/programs/creative-media-technology/creative-media-technology.html>)

The new Creative Media Technology (CMT) building is located at Arrowhead Park, part of New Mexico State University innovative creative campus initiative. The CMT building is strategically located to encourage collaboration with industry partners and leverage the growing film and television production ecosystem in southern New Mexico. This facility is 14,000 square feet with a 4,000 square foot professional soundstage, a commons area with a 4K video wall, three specialty classrooms tailored for graphic and web design; game design and virtual reality; and animation and cinematography. The facility is also equipped with state-of-the-art technology to support various aspects of creative media production. This facility represents a significant investment in the future of creative media education and production in New Mexico, positioning Las Cruces as a hub for innovation in the digital media landscape.

Workforce Center

**2345 E. Nevada Ave.
Las Cruces, N.M.
(575) 527-7776**

The following associate degree and certificate programs are offered at this site:

- Aerospace Technology (<https://catalogs.nmsu.edu/dona-ana/academic-career-programs/aerospace-technology/>),
- Automation and Manufacturing Technology (<https://catalogs.nmsu.edu/dona-ana/academic-career-programs/automation-manufacturing-technology/>),
- Building Construction Technology (<https://catalogs.nmsu.edu/dona-ana/academic-career-programs/building-construction-technology/>),
- Environmental and Energy Technologies (<https://catalogs.nmsu.edu/dona-ana/academic-career-programs/environmental-energy-technologies/>).

The Workforce Center also offers customer-driven, lifelong-learning opportunities, which serve as a bridge between our diverse community and the college. The aim is to be business-solution partners for Doña Ana County. DACC's Workforce Training, (<https://catalogs.nmsu.edu/dona-ana/noncredit-programs/workforce-training/>)S (<https://catalogs.nmsu.edu/dona-ana/noncredit-programs/small-business-development-center/>)mall Business Development Center (<https://catalogs.nmsu.edu/dona-ana/noncredit-programs/small-business-development-center/>), and Truck Driving Academy (<https://dacc.asapconnected.com/#CourseGroupID=40191>) currently occupy the Workforce Center. Together, these programs address everything from the start-up needs of small businesses to the larger training needs of established, growing businesses. Many business assessment tools are available, as well as training space and commercial space on a short-term, rental basis for outside organizations.

Mesquite Center

**2345 E. Nevada Ave.
Las Cruces, N.M.
(575) 527-7776**

Located at DACC's Workforce Center, the Mesquite Center focuses on preparing low-income students for further education, while also developing work-related skills. Transitional classes and workshops involving work-readiness skills and college preparation allow students to eventually move on to college and careers. Classes in ESL and

preparation for the high school equivalency diploma exams are offered on site through DACC's Adult Education Division.

South County Centers

Gadsden Center

**1700 E. O'Hara Rd. (I-10 and State Hwy. 404)
Anthony, N.M.
(575)-882-3939**

Sunland Park Center

**3365 McNutt Rd.
Sunland Park, N.M.
(575)-874-7780**

These centers offer freshman- and sophomore-level coursework in vocational, technical, developmental, and general education. A number of DACC certificates and associate degrees are offered, as well. The centers also provide concurrent enrollment (dual credit) programming for the Gadsden School District. ESL, GED, and citizenship classes for the border area are available through the Adult Education program, also housed at the centers. Refer to the section titled, "Adult Education (<https://catalogs.nmsu.edu/dona-ana/noncredit-programs/adult-education/>)," in this catalog for a full listing of services. These centers also provide a Student Success Center (student tutoring), computer labs, and library support services.

Attending one of the south county centers is equivalent to attending one of the Las Cruces campuses of DACC. The same procedures and regulations apply. Students attending the Gadsden Center or the Sunland Park Center may attend classes at any other DACC or NMSU campus without completing additional admissions procedures. Students may attend one or more campuses and/or centers simultaneously; however, the total credit-hour load may not exceed that stipulated by the normal class-load policy.

All students currently attending, or planning to attend, one of the south county centers also may use the student services and tutoring available at either of the Doña Ana Community College campuses in Las Cruces. An advisor is available at the south county centers to advise students as they make career, program, and scheduling choices.

Chaparral Center

**755 Prescott Anthony Dr.
Chaparral, N.M.
(575) 824-2000**

Located near the southeastern corner of Doña Ana County, the Chaparral Center, which opened in Spring 2012, is situated adjacent to Chaparral High School. The 6,200-square-foot center, which houses a computer lab and a computer classroom, offers freshman- and sophomore-level coursework, including dual-credit courses for high school students. The Electrical Lineworker Certificate (<https://catalogs.nmsu.edu/dona-ana/academic-career-programs/electrical-programs/electrical-lineworker-certificate/>) is offered onsite. It also is the site of the Adult Education program in Chaparral. Refer to the section titled "Adult Education (<https://catalogs.nmsu.edu/dona-ana/noncredit-programs/adult-education/>)" in this catalog for a full listing of services.
