Under the policies and conditions set forth below, a student may be accepted for undergraduate admission to NMSU Global Campus as either:

- A degree-seeking student or
- A nondegree-seeking student under the policies and conditions as set forth in this section.

Degree-Seeking Students

Requirements for admission as a degree-seeking student:

- Application for admission—NMSU Global Campus applicants enjoy a waived application fee for their first application.
- Admissions requirements for degree-seeking students are updated at <https://global.nmsu.edu/admissions/>.
- Students are required to self-report their GPA in the application. Another option is for students to provide an unofficial high school transcript.
- ACT and/or SAT Scores are optional for admissions. However, scores may be used for scholarship consideration or for math and English placement.
- If applicable, official post-secondary education transcripts are sent directly from each institution attended to NMSU Global Campus Undergraduate Admissions.
- All applicants with tentative admission are required to submit a final, official high school transcript showing a graduation date before a final admission decision is granted.

Admission Requirements, Undergraduate

To be considered for admission, students must submit the following documents:

- Undergraduate application
- Transcript Request Release Form to allow us to request U.S. transcripts directly from previous accredited institutions or Official U.S. transcripts or Transcript Waiver Form (indicating previous accredited institutions being waived)
- Applicants using Military Education Benefits should consult their Admission Advisor or Academic Advisor regarding previously attempted academic credits.

- Attestation Form verifying graduation or anticipated graduation from a high school or successful completion of a high school equivalency exam. Students may submit one of the following credentials as proof of high school completion:
 - High school diploma
 - General Education Development (GED) credential
 - A state-authorized high school equivalent certificate, such as the High School Equivalency Test (HiSET) or the Test Assessing Secondary Completion (TASC)
 - Homeschooled documentation (see Homeschool Admission Policy)
 - A conferred associate or bachelor's degree from an accredited institution listed by the Council for Higher Education Accreditation (CHEA) or the Department of Education (DOE/DAPIP).

Additional admission criteria may apply. Students should check for any specific requirements for their program of interest.

NMSU Global Campus Orientation

If you are new to NMSU Global Campus, this orientation is our way of welcoming you into our online learning space.

New students should sign up for the NMSU Global Campus Orientation at <https://global.nmsu.edu/admissions/orientation/>.

This 100% online orientation is the first step to joining New Mexico State University, providing you with tools and information to make your transition to NMSU Global Campus as easy as possible. Plus, it will give you an overview of what it means to be an Aggie and allow you to register for classes.

Nondegree-Seeking Students

How to Apply as a Nondegree-Seeking Student

Nondegree admission is designed to meet the needs of students who do not wish to pursue a degree at NMSU Global Campus. Courses taken in this status may not be used to meet university admission requirements.

Students on nondegree status are ineligible to:

- Receive financial aid or student employment
- Participate in student government or intercollegiate athletics
- Receive benefits from any veterans' program

Transcripts from previous institutions, high school, and/or results of college entrance exams may be required to assure readiness for university-level courses.

Nondegree students are subject to the same university regulations as degree-seeking students.

Changing from Nondegree Status

A nondegree student in good academic standing at NMSU Global Campus must submit a formal application for a change of status from nondegree to degree-seeking. Requirements for regular admission must be met. Nondegree students may not transfer more than 90 credits from this status to any undergraduate degree program except for students participating in a high school concurrent enrollment program.

How to Apply for Readmission

Former students of the NMSU system, who have been out of school for more than two consecutive semesters, are required to make a formal application for readmission. Applications should be submitted to the office of NMSU Global Campus Undergraduate Admissions before the start date of the semester for which the student plans to enroll.

A student who has attended other institutions during an absence must have official transcripts sent directly to NMSU Global Campus Undergraduate Admissions and must be eligible to return to the college or university they last attended. Official transcripts must be received to be fully admitted. Students who are tentatively admitted using unofficial transcripts have one semester to submit official transcripts for full admission. A registration hold will be placed that prevents tentatively admitted students from registering for second-semester courses until they are fully admitted. Admission status at the time of readmission will generally be determined by previous NMSU academic standing. However, academic performance at other institutions attended during the applicant's absence from NMSU may be taken into consideration in determining the student's admission status.

Credit for Prior Learning

See (<https://arp.nmsu.edu/chapter-4/4-61.html>)<https://arp.nmsu.edu/chapter-4/4-61.html> for more information.

Out-of-State Students and Legal Jurisdiction

By applying for admission/enrollment, the student agrees that New Mexico law prevails and all litigation will be in federal or state court in New Mexico. Fully online programs do not meet student visa requirements. Due to state authorization, some programs may not permit international students.

Application Materials

All documents submitted as part of the official admissions process become the property of NMSU Global Campus and will not be returned to the student. Application materials are retained for one calendar year for students who apply but do not attend.

Rolling Application Deadlines

NMSU Global Campus online degree and certificate programs offer rolling application deadlines. This allows you the freedom to choose when you start or restart your college career.
