<i>Departmental Electives</i>		
Elective PHLS courses ⁴		24
Second Language: (not required)		
Electives, to bring the total credits to 120 ⁵		13-15
Total Credits		120

- ¹ See the General Education (<https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/>) section of the catalog for a full list of courses
- ² MATH 1350G Introduction to Statistics or MATH 2350G Statistical Methods or A ST 311 (<https://catalogs.nmsu.edu/search/?P=A%20ST%20565>) is required for the degree but students may need to take any prerequisites needed to enter MATH 1350G or MATH 2350G or A ST 311 (<https://catalogs.nmsu.edu/search/?search=A+ST+311>) first.
- ³ See the Viewing a Wider World (<https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/#viewingawiderworldtext>) section of the catalog for a full list of courses
- ⁴ Students are encouraged to select additional PHLS courses to satisfy the elective requirement. Students with an associate degree in an allied health field may transfer up to 24 credit hours of electives.
- ⁵ Elective credit may vary based on prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.

Additional Requirements

All students are required to complete an exit survey please see the department for more information.
