

EDUCATION - ASSOCIATE IN EDUCATION

The Associate degree in Education program at NMSU Grants Campus is designed to prepare students for transfer into the Teacher Education Program (TEP), a baccalaureate program at New Mexico State University. Alternatively, students may opt to transfer to a similar program at another four-year institution. The Education programs provides the courses required for entry into the Teacher Education Program (TEP) at NMSU.

*Education (Elementary Education) – *Advisement can focus on a specialization such as Science, Language Arts, Math, Social Studies, or Special Education depending upon individual interests.*

60 credits

The Education associate degree program at NMSU Grants is designed to prepare students for transfer into the Teacher Education Program (TEP), a baccalaureate program at New Mexico State University. Alternatively, students may opt to transfer to a similar program at another four-year institution. The NMSU Grants program includes the lower division courses required for entry into the TEP. Completion of this program does NOT guarantee admission into a Teacher Education Program at a four-year institution. The student will need a 2.75 GPA to be eligible to apply to the TEP. Early in their second year of study at NMSU Grants students should contact the four-year institution they have chosen to obtain application information.

NOTE: It is recommended that students check the requirements for their planned bachelor's degree. Requirements may differ for some bachelor's degrees. See education advisor for course selection information. NMSU Las Cruces College of Education (<https://catalogs.nmsu.edu/nmsu/health-education-social-transformation/>) requirements.

Requirements and Limitations

1. Students in the Education Program are required to complete and pass a security background check in order to take field-experience courses. Past criminal violations may prevent a student from completing the degree and from being hired by school systems or other childcare facilities upon graduation.
2. Students must complete all Technical Requirement courses as well as the following courses with a C- or better:

Prefix	Title	Credits
ENGL 1110G	Composition I	4
ENGL 2221G	Writing in the Humanities and Social Science	3
MATH 1134	Fundamentals of Elementary Mathematics I	3
MATH 2134G	Fundamentals of Elementary Math II	3
MATH 1215	Intermediate Algebra	3

3. Students must have a 2.0 GPA to graduate from this program. However, a 2.5 GPA is required for acceptance into the Teacher Education Program at NMSU. For this reason, it is highly recommended that NMSU Grants students complete the Education Program with a 2.5 cumulative GPA.
4. Any education course more than seven years old taken at NMSU, NMSU community colleges, or other institutions will not be counted toward the student's baccalaureate program. It is highly recommended that students request a review of their cumulative

coursework by the appropriate department at NMSU. The student must repeat any course not approved.

Students must complete all University degree requirements, which include: General Education requirements and elective credits to total at least 60 credits. Developmental coursework will not count towards the degree requirements and/or elective credits, but may be needed in order to take the necessary English and Mathematics coursework. New Mexico General Education (<https://catalogs.nmsu.edu/grants/general-education/>) courses.

Total Credits	60

¹ Prerequisite: MATH 1134 Fundamentals of Elementary Mathematics I is a prerequisite to MATH 2134G. Additional prerequisites may be needed based on placement test results and/or course prerequisites. Visit with an advisor for help with creating your MATH sequence.

² Consult with the Education Program Manager to select an elective for your teaching field.

A Suggested Plan of Study for Students

This roadmap assumes student placement in MATH 1215 Intermediate Algebra and ENGL 1110G Composition I. The contents and order of this roadmap may vary depending on initial student placement in mathematics and english. It is only a suggested plan of study for students and is not intended as a contract. Course availability may vary from fall to spring semester and may be subject to modification or change. Students will need a 2.75 GPA to be eligible to apply to a Teacher Education Program at NMSU.

First Year

Fall	Credits
ENGL 1110G Composition I	4
Area III: Laboratory Science Course ¹	4
CEPY 1120G Human Growth and Behavior	3
ARTH 1115G Orientation in Art	3
Credits	14

Spring

CEPY 2110 Learning in the Classroom	3
COMM 1115G Introduction to Communication or COMM 1130G or Public Speaking	3
ENGL 2221G Writing in the Humanities and Social Science	3
LING 2110G Introduction to the Study of Language and Linguistics	3
MATH 1215 Intermediate Algebra	3
Credits	15

Second Year

Fall	Credits
BLED 1110 Introduction in Bilingual Education/ESL	3
HIST 1130G World History I or HIST 1140G or World History II	3
MATH 1134 Fundamentals of Elementary Mathematics I	3
Choose one from the following:	3
GEOG 1120G World Regional Geography	
GEOG 1130G Human Geography	
POLS 1110G Introduction to Political Science	

POLS 1120G American National Government	
Area III: Laboratory Science Course ¹	4

MATH 2134G Fundamentals of Elementary Math II	3
Elective Course (See advisor for options)	3
Credits	15
Total Credits	60

¹ See the General Education (<https://catalogs.nmsu.edu/grants/general-education/>) section of this catalog for a full list of courses.

Learning Outcomes

1. Students graduating from this program will be prepared to apply for and enter the Teacher Education Program at New Mexico State University for the remaining 2 years of their Baccalaureate program.
2. Students will have the knowledge and skills to transfer to any four-year institution in New Mexico.
3. Students will be prepared to enter the public schools as a teaching paraprofessional.
