

NATURAL RESOURCE ECONOMICS - UNDERGRADUATE MINOR

The minor in Natural Resource Economics (NRE) consists of 18 or more credit hours of approved course work of which at least 9 hours must be numbered 300/3000 or above and completed with grades of "C" or better.

Once courses are completed or show "IP" status in the audit, students pursuing the NRE minor need to log in to their MyNMSU and print out the STAR Audit and obtain departmental approval. The course requirements for the NRE minor are as follows:
