- Students must complete this requirement for 1 credit for a total of 4 semesters.
- Students must complete this requirement for 1 credit for a total of 2 semesters.
- Students must complete this requirement for 1 credit for a total of 3 semesters.
- Students must complete this requirement for .5 credit for a total of 4 semesters.
- Because of the number of credits required for a music degree, including required ensembles and applied lessons, music students are not required to meet the Second Language Requirements.
- Elective credit may vary based on prerequisites, dual credit, AP credit, double majors, and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 120 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.

A Suggested Plan of Study

Additional classes may be needed based on placement test results and course prerequisites. Visit with an advisor for help with creating a customized plan. This roadmap assumes student placement in MATH 1130G Survey of Mathematics and ENGL 1110G Composition I. The contents and order of this roadmap may vary depending on initial student placement in mathematics and English. It is only a suggested plan of study for students and is not intended as a contract. Course availability may vary from fall to spring semester and may be subject to modification or change.
