Electives, to bring the total credits to 60 ^{4,5}		13
Total Credits		60

¹ MATH 1220G College Algebra is required for the degree but students may need to take any prerequisites needed to enter MATH 1220G first.

² A grade of C- or better is required.

³ See the General Education Section (<https://catalogs.nmsu.edu/nmsu/general-education-viewing-wider-world/>) of the catalog for a full list of courses.

⁴ Elective credit may vary based on General Education course selection, second language requirements, prerequisites, dual credit, A credit, double majors and/or minor coursework. The amount indicated in the requirements list is the amount needed to bring the total to 60 credits and may appear in variable form based on the degree. However students may end up needing to complete more or less on a case-by-case basis and students should discuss elective requirements with their advisor.

⁵ Although only 60 credits, excluding developmental coursework, are required for the degree, depending on required developmental
