

PRINCIPAL LICENSURE - GRADUATE CERTIFICATE

Students seeking to complete the Principal Licensure Graduate Certificate program for the purpose of obtaining administrative licensure must already hold an MA or MS and New Mexico Level III teacher licensure. Students must complete the required 24 credit hours of coursework, which includes field-based experiences and six credit hours of a university-supervised administrative internship (over the course of two semesters). Students must earn a final grade of B- or better in all classes. Courses in which a student earns a "C" grade or below will need to be repeated and not count towards graduation. Important information about the Educational Leadership & Administration Programs can be found here (<https://ela.nmsu.edu/>).
