

PRINCIPAL LICENSURE - GRADUATE CERTIFICATE

Students must earn a final grade of "B-" or better in all classes. Courses in which a student earns a "C" grade or below will need to be repeated and not count towards graduation.

All 24-credit hours must be completed to earn the Principal Licensure Graduate Certificate and meet the administrative licensure requirements of the New Mexico Public Education Department. Course work requires field-based experiences.

Important information about the Educational Leadership & Administration Programs can be found here (<https://tpal.nmsu.edu/degree-programs/concentrations/ela.html>).
