The requirements for the Master of Social Work degree include 30 credits of designated graduate courses for those accepted for advanced standing; a cumulative grade-point average of at least 3.0 on a 4.0 scale in all courses and practicums.

Note that all social work courses must be taken in sequence. Successful completion of course work for each semester is a prerequisite for the course work of the following semester.

An integral part of a graduate social work program is completing practicums. For those enrolled in the two-year and three-year programs, two practicum placements totaling 950 hours will be required. For those students entering the program with advanced standing, one practicum placement is required, totaling 500 hours in the field. Students are offered a wide range of practicum sites from which to choose. Students should be prepared to travel some distance and be responsible for their own transportation costs.

Application Deadlines

The priority deadline for completed applications is January 15 for fall admission. Applications received after January 15 will only be reviewed on a space-available basis. Please apply by January 15 for full consideration.
